

## Faculty Position Announcement Air Force Institute of Technology

The Air Force Institute of Technology (AFIT), Graduate School of Engineering and Management, invites applications for a tenure-track faculty position in our Engineering Management master's degree program. The level of academic appointment will be commensurate with qualifications and experience.

AFIT is located on Wright-Patterson Air Force Base (AFB). In addition to hosting AFIT, the base is home to the Air Force Life-Cycle Management Center, Air Force Research Laboratory, and National Air & Space Intelligence Center. According to the Carnegie Classification system, AFIT is considered a "Doctoral University – Moderate Research Activity." The school is regionally accredited by The Higher Learning Commission (HLC), and the Engineering Management program is accredited by the Engineering Accreditation Commission of ABET.

AFIT is a member of the NSF ADVANCE LEADER Consortium ([www.wright.edu/leader/](http://www.wright.edu/leader/)), and candidates are expected to share AFIT's commitment to this and other campus diversity initiatives. Members of historically under-represented groups are particularly encouraged to apply. AFIT is an Equal Opportunity, Affirmative Action Employer. We welcome applications from all qualified and eligible candidates.

Applicants must possess an earned doctoral degree in engineering management or other closely related field. Academic specialization or professional experience with managing the built environment is required; this includes asset/facility management, infrastructure management, or construction management. Professional experience in technical research or consulting activities in the broad fields of engineering management is required. The ability to communicate clearly and expertly (in English) in both verbal and written forms concerning academic, administrative, and technical subject matters is required. Desirable qualifications include a systems perspective and experience with teaching distance learning courses. Applicants must be citizens of the United States; if selected, applicants must provide proof of citizenship at time of appointment. Applicants must also hold, or be able to obtain, and maintain a SECRET security clearance.

Applications must be received no later than 21 September 2018. Please view job announcement number AFMC-10282915-000000-9X-JED at [www.USAJobs.gov](http://www.USAJobs.gov) for additional information and application instructions. The announcement can also be accessed directly by clicking on [AFIT Engineering Management Faculty Position](#). **Please note that on-line applications through USA Staffing will NOT be accepted.** Instead, nominations and applications for this position must be emailed as a **single PDF attachment** to [AFITMSC.WORKFLOW@afit.edu](mailto:AFITMSC.WORKFLOW@afit.edu). Questions about the position or the department should be directed to the Search Committee Chair, Dr Al Thal, at [al.thal@afit.edu](mailto:al.thal@afit.edu).
