

Lecturer in Engineering Management and Industrial Engineering (12686) **School of Computing, Informatics, and Decision Systems Engineering**

The School of Computing, Informatics, and Decision Systems Engineering (CIDSE) in the Ira A. Fulton Schools of Engineering at Arizona State University (ASU) seeks applicants for a full-time lecturer position beginning Fall 2019. The successful candidate for this position will have experience with classroom instruction and industry experience in technical functions in the broad fields of engineering management. Areas of interest could include industrial engineering, project management, risk management, and systems engineering.

Teaching responsibilities include undergraduate and graduate courses in engineering management and industrial engineering. Other teaching responsibilities include holding office hours and supervising teaching associates and graders. Courses can include both on-campus and online offerings.

Required qualifications:

- A master's degree in Engineering Management, Industrial Engineering, Systems Engineering, or a related discipline by the time of appointment
- Demonstrated teaching experience in either an industrial or academic environment
- Five years of industry experience in technical functions

Desired qualifications:

- A doctoral degree in Engineering Management, Industrial Engineering, Systems Engineering, or a related discipline by the time of appointment
- Demonstrated record of excellence in teaching that incorporates active learning
- Extensive professional experience in the areas of Engineering Management and Industrial Engineering

CIDSE has locations on the Tempe and Polytechnic Campuses so some travel between locations should be expected. In addition, CIDSE has an online presence. This is a non-tenure track appointment at the rank of Lecturer with a fixed term, renewable academic-year contract.

Review of applications will begin January 2, 2019; if not filled, reviews will occur on the 1st and 15th of every month thereafter until the search is closed. Apply at <https://hiring.engineering.asu.edu/>. Candidates will be asked to submit the following through their Interfolio Dossier:

- Cover letter
- Current CV
- Statement describing teaching interests
- Contact information for at least three references

For further information or questions about this position please contact Dr. Dan McCarville at daniel.mccarville@asu.edu.

Arizona State University is a VEVRAA Federal Contractor and an Equal Opportunity/Affirmative Action Employer. All qualified applicants will be considered without regard to race, color, sex, religion, national origin, disability, protected veteran status, or any other basis protected by law. See ASU's full non-discrimination statement (ACD 401) at <https://www.asu.edu/aad/manuals/acd/acd401.html> and the Title IX statement at <https://www.asu.edu/titleIX/>.
